Dates for Preschool Screening

Voluntary screenings for all three, four and five year old children living in the District 200 attendance area will be held throughout the year at the Verda Dierzen Early Learning Center. The purpose of the screening is to identify children who would benefit from specialized help before entering kindergarten.

The screening gives information about developmental skills such as how the child uses his or her body (motor skills), knowledge of basic concepts like counting and colors (conceptual skills), and the child's use of language.

Preschool Screening dates for 2011-2012 are:

Wednesday September 21, 2011

Wednesday January 25, 2012
