

July 20, 2015

Dear Parents,

School District 200 has purchased Student Accident Insurance on your child's behalf. This program provides coverage for your child for any injuries incurred while participating in any school-sponsored and/or supervised activity, including all athletics. This plan is secondary to any primary insurance the student may currently have. If an accident should occur please pick up a student accident insurance claim form from your school office, attach the itemized medical bill and the explanation of benefits from your primary insurance and mail it to the address at the top of the insurance claim form.

Aside from the school sponsored coverage that the District has provided on your student's behalf, the program administrator is also offering 24-hour unlimited dental accident coverage and also 24-hour medical accident coverage that provides protection when your child is not at school. Information and applications are available at [www.k12specialmarkets.com](http://www.k12specialmarkets.com).

If you have any questions please call the plan administrator, Zevitz, Redfield & Associates, Inc. at (312) 346-7460 or (847) 374-0888.

Thank you for your time and attention.
