

Tips for Reading Aloud

- Choose books that you enjoy or have loved.
- Preview books to decide if they are suitable for the age and class.
- Consider the illustrations, as students at all levels enjoy the pictures!
- Picture books are recommended, as they are engaging and can be read in one session.
- As you preview each book, consider places you may stop and comment. Give a quick introduction of the book. Why did you choose this book? What is about?
- Read aloud with expression and enthusiasm! Don't be afraid that you will sound silly by reading the story dramatically. The students will love it!
