Dear Sponsor,

Reach for the Stars! Read-a-thon incentive program is designed to motivate children to read, keep them reading, and reward them for reading. The money collected rewards students and the school with new books. 50% of collected pledges will go to students in the form of exciting, educational books, and the remaining 50% will go to the school in the form of library books and cash for student field trips.

Children are asked to read (or be read to) for a minimum of 360 minutes over a 12 day period. We are asking you to sponsor them at a flat rate amount for their efforts. At the end of 12 days, the students will collect the sponsors' pledges and bring them to school.

Thank you for supporting their efforts. We want EVERY student to experience the joy of reaching their goals and to be rewarded with great books for doing so!
