Verda Dierzen Early Learning Center

2021-22 Preschool Screening Dates

Voluntary screenings for children who are ages three to five living within the Woodstock Community Unit School District 200 boundaries will be held throughout the year at Verda Dierzen Early Learning Center. Screening information is used to determine possible eligibility for the D200 grant-funded preschool programs. If you are interested in VDELC's tuition preschool program a screening is recommended but not a requirement.

The screening provides information in the areas of a child's communication, gross motor, fine motor, problem-solving, and personal-social skills. A free hearing and vision screen is completed on regular scheduled screening days when live screenings are available.
