## Preschool Screening 2023-2024

We offer screenings for children who are ages three to five living within the Woodstock Community Unit School District 200 boundaries. The screening dates will be scheduled throughout the year at Verda Dierzen Early Learning Center. The screening information is used to determine possible eligibility for the D200 grant funded preschool programs. If you are interested in VDELC's tuition preschool program, a screening is highly recommended but not required.

The screening data provides information in the areas of a child's communication, gross motor, fine motor, problem solving and personal-social skills. A free hearing and vision screening will be completed at a later date.

Preschool screenings are free. All screen paperwork will be sent online and must be completed prior to the child's appointment. You must provide your child's original or certified birth certificate, proof of residency, proof of income and the child's most recent medical and immunization information. To schedule your child for a screening, please call **(815) 338-8883** and ask for a Parent Educator. We look forward to working with you and your child.
