The D200 orchestra camp is a way to keep your musician playing their instrument this summer! Students can sign up for one or both weeks of camp. Families are responsible for transportation to and from camp (at Creekside). Students need to bring their instrument, pencil, and music (given out on the first day of camp) to each rehearsal.

We are also offering the option to purchase a camp t-shirt for \$8 for the end of camp concert! This is completely optional, as students can wear their school orchestra t-shirt for the concert instead.

Students will learn all new music, partake in games and activities, and meet other orchestra students from across the district! A daily snack will be provided (if your child has food allergies, please send them with their own snack). We will end the camp with a concert in the Woodstock Square for family and friends on Thursday, June 13th at 6PM.

D200 will again be offering a Symphony Orchestra Camp! This will allow students in both band and orchestra (grades 8-12) to come together and perform symphonic repertoire. Students must be just finishing 8th grade or in high school.

Please keep this page for your reference and return the attached sign up for to your school's orchestra director. If you have any questions please contact your musicians orchestra director.
