Welcome to Kids Club

Welcome to the first newsletter of the school year. Each month we will send you a newsletter that will highlight important dates coming up, site news, introduce our staff, share items that you might not know about the program. We keep it short, informative and fun.

We are currently finalizing hiring staff at 2 schools, and looking for some substitute staff. If you like working with children, are available to work from 1:30-6, on an on call basis, please consider applying.

Meet our New Director!

Hello! I am Amy Kroyer your new Kids Club Director. I am so excited to have joined the Kids Club program! I have my BA in Elementary Education from Roosevelt University and have been working with children for the past 18 years. In the last 7 years I have been a director overseeing multiple childcare centers. I am extremely happy to see some familiar faces in our program!

I lived in Woodstock for 10 years and just last year relocated to Crystal Lake. I am married living with our three children & dog. I am a big Cubs, Bears and Hawks fan and in any spare time I get, I enjoy reading.

I look forward to getting to know you and your families through our Kids Club program!
