

How to Become a Canvas Parent Observer

Parents can be an observer in their child's classes on Canvas. This access allows parents to view assignments, due dates, announcements, and other course content. Parent observers are able to see the course information but cannot participate as a member of the class.

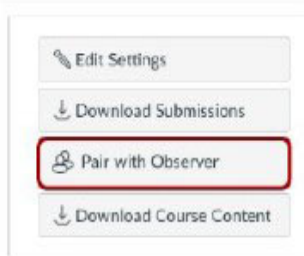

Step 1

Obtain Pairing Code From Student's Account

1. Have your student log into their Canvas account
2. Open the User Settings Section by clicking on the ACCOUNT link on the left side of the page.
3. Choose SETTINGS
4. Choose Pair with Observer
5. Copy the Code. It is only good for 7 days.
6. Click ok to close the window.
