

What is the First Class Pass?

The First Class Pass is a courtesy pass that is given to the senior members of our school community in recognition of their long-term investment in our young people and schools.

What benefits are available to pass holders?

Cardholders receive FREE ADMISSION to all District 200 school-sponsored activities.

Who is eligible for First Class Pass privileges?

The only requirements for eligibility are:

- Residency in District 200
- 60 years of age or older

What specific kinds of activities are covered under the First Class Pass?

Regular season home athletic events, plays, musicals, concerts and other programs sponsored by each of our twelve schools are included. Just present your card at the door.

Are there any limitations or restrictions on the usage of the pass?

IHSA regulations prohibit us from honoring the First Class Pass at post-season events and special tournaments sponsored by the Illinois High School Association (IHSA), WHS or WNHS.

A few theatrical productions may require advance reservations or a nominal fee. Programs and activities that are established as fundraisers are not included.

How can cardholders find out about upcoming events they might want to attend?

When possible, schedules are mailed each semester to everyone who has a First Class Pass. Because COVID restrictions have created some uncertainty about our ability to provide some programming, we are currently not mailing calendars.

Concerts and theatrical performances, and middle school athletics are posted on the website Monthly Events Calendars at www.woodstockschools.org/calendar.

High School sports information is on the HS athletics sites at:

- www.bluestreakathletics.com
- www.wnhsathletics.com

How often must the First Class Pass be renewed?

Never! Your pass is valid for as long as you remain a resident of District 200.

How do I obtain a First Class Pass?

If you meet the eligibility criteria, you may stop by any of our schools or the District Office to apply for your card. If you prefer, you may telephone District 200 at (815) 338-8200 to request an application by mail, or download an application at www.woodstockschoools.org/firstclasspass.

The First Class Pass will be mailed to you as soon as we receive your completed application.

If your card is lost or stolen, please contact the District 200 office at (815) 338-8200 and we will replace your card at no charge.
