Woodstock District 200 recognizes Illinois State Scholars

Woodstock Community Unit School District 200 is pleased to recognize 50 seniors from Woodstock and Woodstock North high schools who have been designated as Illinois State Scholars.

The Illinois Student Assistance Commission (ISAC), the state's college access and financial aid agency, presents this recognition of academic achievement to exceptional Illinois high school students each year.

"We're proud of the hard work and dedication these students have demonstrated over their four years at Woodstock and Woodstock North," District 200 Superintendent Mike Moan said. "These students in particular have overcome many obstacles over the past two years."

Illinois State Scholars are determined by a combination of high school grades and SAT scores. Those designated as Illinois State Scholars are generally among the top 10 percent of high school seniors in the state.
